1.3 Improper Use of Centrex Service.

- 1.3.1 Centrex service is not available for use with equipment classified as a multifunction system equipped for pooled access, PBX or similar equipment.
- 1.3.2 Centrex is offered as a flat-rate service only; and therefore, according to altafiber’s Ohio tariffs/service agreement, may not be resold, shared, or otherwise rebilled to tenants of Ohio, regardless of who owns the phone system and/or equipment associated with that system.

In the event of such unauthorized use of Centrex service, altafiber may seek remedies as provided in altafiber’s General Exchange Tariffs/service agreements, including interruption or change of the Customer’s service. If you have any questions regarding the use of your Centrex system, please call your altafiber Account Representative.
