### TARIFF FORMAT

- A. Leaf Numbering** - Leaf numbers appear in the upper right corner of the Leaf and are numbered sequentially. However, new Leafs are occasionally added to the tariff. When a new Leaf is added between Leafs already in effect, a number is added. For example, a Leaf added between Leaf 14 and 15 would be 14.1
- B. Leaf Revision Numbers** - Revision numbers also appear in the upper right corner of each Leaf. These numbers are used to determine the most current Leaf version on file with the NYDPS. For example, the 4th Revised Leaf 14 cancels the 3rd Revised Leaf 14. Because of various suspension periods, deferrals, etc. the NYDPS follows in its tariff approval process, the most current Leaf number on file with the NYDPS is not always the tariff Leaf in effect.
- C. Paragraph Numbering Sequence** - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:

2.  
2.1.  
2.1.1.  
2.1.1.A.  
2.1.1.A.1.

## SECTION 2 - RULES AND REGULATIONS

### 2.1 Undertaking of the Company

#### 2.1.1 Scope

The Company undertakes to furnish communications service pursuant to the terms of this tariff in connection with one-way and/or two-way information transmission originating from points within the State of Michigan.

The Company is responsible under this tariff only for the services and facilities provided hereunder, and it assumes no responsibility for any service provided by any other entity that purchases access to the Company network in order to originate or terminate its own services, or to communicate with its own Customers.

The Company arranges for installation, operation, and maintenance of the communications services provided in this tariff for Customers in accordance with the terms and conditions set forth under this tariff. The Company may act as the Customer's agent for ordering access connection facilities provided by other carriers or entities, when authorized by the Customer, to allow connection of a Customer's location to the Company network. The Customer shall be responsible for all charges due for such service arrangement.

#### 2.1.2 Shortage of Equipment or Facilities

- A. The Company reserves the right to limit or to allocate the use of existing facilities, or of additional facilities offered by the Company, when necessary because of lack of facilities, or due to some other cause beyond the Company's control.
- B. The furnishing of service under this tariff is subject to the availability on a continuing basis of all the necessary facilities and is limited to the capacity of the Company's facilities as well as facilities the Company may obtain from other carriers to furnish service from time to time as required at the sole discretion of the Company.

**SECTION 2 - RULES AND REGULATIONS (CONT'D.)****2.1 Undertaking of the Company (Cont'd.)****2.1.3 Terms and Conditions**

- A.** Service is provided on the basis of a minimum period of at least thirty days (30), 24-hours per day. For the purpose of computing charges in this tariff, a month is considered to have 30 days. When a service is discontinued prior to the expiration of the minimum period, charges are applicable, whether the service is used or not.
- B.** Except as otherwise stated in the tariff, Customers may be required to enter into written service orders which shall contain or reference a specific description of the service ordered, the rates to be charged, the duration of the services, and the terms and conditions in this tariff. Customers will also be required to execute any other documents as may be reasonably requested by the Company to provide service.
- C.** At the expiration of the initial term specified in each Service Order, or in any extension thereof, service shall continue on a month-to-month basis, unless otherwise specified by the written Service Order, at the then current rates unless terminated by either party upon notice. Any termination shall not relieve the Customer of its obligation to pay any charges incurred under the service order and this tariff prior to termination. The rights and obligations which by their nature extend beyond the termination of the term of the service order shall survive such termination.
- D.** Service may be terminated by Company upon written notice to the Customer if:
  - 1. the Customer is using the service in violation of this tariff;
  - 2. the Customer is using the service in violation of the law, or
  - 3. the Customer is in violation of written Service Order terms.
- E.** This tariff shall be interpreted and governed by the laws of the State of Michigan.

**SECTION 2 - RULES AND REGULATIONS (CONT'D.)****2.1 Undertaking of the Company (Cont'd.)****2.1.3 Terms and Conditions (Cont'd.)**

- F.** Any other telephone company may not interfere with the right of any person or entity to obtain service directly from the Company. No person or entity shall be required to make any payment, incur any penalty, monetary or otherwise, or purchase any services in order to have the right to obtain service directly from the Company.
  
- G.** To the extent that either the Company or any other telephone company exercises control over available cable pairs, conduit, duct space, raceways, or other facilities needed by the other to reach a person or entity, the party exercising such control shall make them available to the other on terms equivalent to those under which the Company makes similar facilities under its control available to its Customers. At the reasonable request of either party, the Company and the other telephone company shall join the attempt to obtain from the owner of the property access for the other party to serve a person or entity.

**SECTION 2 - RULES AND REGULATIONS (CONT'D.)****2.1 Undertaking of the Company (Cont'd.)****2.1.4 Limitations on Liability (Cont'd.)****I. With respect to Emergency Number 911 Service (Cont'd.)**

3. When a Customer with a nonpublished telephone number, as defined herein, places a call to the emergency 911 service, the Company will release the name and address of the calling party, where such information can be determined, to the appropriate local governmental authority responsible for emergency 911 service upon request of such governmental authority. By subscribing to service under this rate sheet, the Customer acknowledges and agrees with the release of information as described above.

**2.1.5 Notification of Service-Affecting Activities**

The Company will provide the Customer reasonable notification of service-affecting activities that may occur in normal operation of its business. Such activities may include, but are not limited to, equipment or facilities additions, removals or rearrangements and routine preventative maintenance. Generally, such activities are not specific to an individual Customer but affect many Customers' services. No specific advance notification period is applicable to all service activities. The Company will work cooperatively with the Customer to determine the reasonable notification requirements. With some emergency or unplanned service-affecting conditions, such as an outage resulting from cable damage, notification to the Customer may not be possible.

**SECTION 2 - RULES AND REGULATIONS (CONT'D.)****2.1 Undertaking of the Company (Cont'd.)****2.1.6 Provision of Equipment and Facilities**

- A.** The Company shall use reasonable efforts to make available services to a Customer on or before a particular date, subject to the provisions of and compliance by the Customer with, the regulations contained in this tariff. The Company does not guarantee availability by any such date and shall not be liable for any delays in commencing service to any Customer.
- B.** The Company shall use reasonable efforts to maintain only the facilities and equipment that it furnishes to the Customer. The Customer may not, nor may the Customer permit others to, rearrange, disconnect, remove, attempt to repair, or otherwise interfere with any of the facilities or equipment installed by the Company, except upon the written consent of the Company.
- C.** The Company may substitute, change or rearrange any equipment or facility at any time and from time to time, but shall not thereby alter the technical parameters of the service provided the Customer.
- D.** Equipment the Company provides or installs at the Customer Premises for use in connection with the services the Company offers shall not be used for any purpose other than that for which it was provided.
- E.** The Customer shall be responsible for the payment of service charges as set forth herein for visits by the Company's agents or employees to the Premises of the Customer when the service difficulty or trouble report results from the use of equipment or facilities provided by any party other than the Company, including but not limited to the Customer.

**SECTION 2 - RULES AND REGULATIONS (CONT'D.)****2.1 Undertaking of the Company (Cont'd.)****2.1.6 Provision of Equipment and Facilities (Cont'd.)**

- F. The Company shall not be responsible for the installation, operation, or maintenance of any Customer-provided communications equipment. Where such equipment is connected to the facilities furnished pursuant to this tariff, the responsibility of the Company shall be limited to the furnishing of facilities offered under this tariff and to the maintenance and operation of such facilities. Subject to this responsibility, the Company shall not be responsible for:
1. the transmission of signals by Customer-provided equipment or for the quality of, or defects in, such transmission; or
  2. the reception of signals by Customer-provided equipment.

**2.1.7 Non-routine Installation**

At the Customer's request, installation and/or maintenance may be performed outside the Company's regular business hours or in hazardous locations. In such cases, charges based on cost of the actual labor, material, or other costs incurred by or charged to the Company will apply. If installation is started during regular business hours but, at the Customer's request, extends beyond regular business hours into time periods including, but not limited to, weekends, holidays, and/or night hours, additional charges may apply.

**SECTION 2 - RULES AND REGULATIONS (CONT'D.)****2.1 Undertaking of the Company (Cont'd.)****2.1.8 Special Construction**

Subject to the agreement of the Company and to all of the regulations contained in this tariff, special construction of facilities may be undertaken on a reasonable efforts basis at the request of the Customer. Special construction is that construction undertaken:

- A. where facilities are not presently available, and there is no other requirement for the facilities so constructed;
- B. of a type other than that which the Company would normally utilize in the furnishing of its services;
- C. over a route other than that which the Company would normally utilize in the furnishing of its services;
- D. in a quantity greater than that which the Company would normally construct;
- E. on an expedited basis;
- F. on a temporary basis until permanent facilities are available;
- G. involving abnormal costs; or
- H. in advance of its normal construction.

**2.1.9 Ownership of Facilities**

Title to all facilities provided in accordance with this rate sheet remains in the Company, its partners, agents, contractors or suppliers.

**SECTION 2 - RULES AND REGULATIONS (CONT'D.)****2.2 Prohibited Uses**

- 2.2.1** The services the Company offers shall not be used for any unlawful purpose or for any use as to which the Customer has not obtained all required governmental approvals, authorizations, licenses, consents and permits.
- 2.2.2** The Company may require applicants for service who intend to use the Company's offerings for resale and/or for shared use to file a letter with the Company confirming that their use of the Company's offerings complies with relevant laws and Department regulations, policies, orders, and decisions.
- 2.2.3** The Company may block any signals being transmitted over its Network by Customers that cause interference to the Company or other users. Customer shall be relieved of all obligations to make payments for charges relating to any blocked Service and shall indemnify the Company for any claim, judgment or liability resulting from such blockage.
- 2.2.4** A customer, joint user, or authorized user may not assign, or transfer in any manner, the service or any rights associated with the service without the written consent of the Company. The Company will permit a Customer to transfer its existing service to another entity if the existing Customer has paid all charges owed to the Company for regulated communications services. Such a transfer will be treated as a disconnection of existing service and installation of new service, and non-recurring installation charges as stated in this tariff will apply.

**SECTION 2 - RULES AND REGULATIONS (CONT'D.)****2.4 Customer Equipment and Channels****2.4.1 General**

Local Exchange Service includes services and facilities provided for the origination or termination of any telecommunication regardless of the technology used in transmission. This includes, but is not limited to, local exchange, long distance, and data communications services that may use TDM, Internet Protocol ("IP") or other technology. Company services are designed primarily for the transmission of voice-grade telephonic signals, except as otherwise stated in this tariff. A User may transmit any form of signal that is compatible with Company equipment, but the Company does not guarantee that its services will be suitable for purposes other than voice-grade telephonic communication except as specifically stated in this tariff.

**2.4.2 Station Equipment**

- A.** Terminal equipment on the User's Premises and the electric power consumed by such equipment shall be provided by and maintained at the expense of the User. The User is responsible for the provision of wiring or cable to connect its terminal equipment to the Company Point of Connection.
- B.** The Customer is responsible for ensuring that Customer-provided equipment connected to Company equipment and facilities is compatible with such equipment and facilities. The magnitude and character of the voltages and currents impressed on Company-provided equipment and wiring by the connection, operation, or maintenance of such equipment and wiring shall be such as not to cause damage to the Company-provided equipment and wiring or injury to the Company's employees or to other persons. Any additional protective equipment required to prevent such damage or injury shall be provided by the Company at the Customer's expense, subject to prior Customer approval of the equipment expense.

**SECTION 2 - RULES AND REGULATIONS (CONT'D.)****2.5 Payment Arrangements****2.5.1 Payment for Service**

The Customer is responsible for the payment of all charges for facilities and services furnished by the Company to the Customer and to all Authorized Users by the Customer, regardless of whether those services are used by the Customer itself or are resold to or shared with other persons.

The Customer is responsible for payment of any sales, use, gross receipts, excise, access or other local, state, federal and 911 taxes, charges or surcharges (however designated) (excluding taxes on Company net income) imposed on or based upon the provision, sale or use of network services.

Customers will only be charged once, on either an interstate or intrastate basis, for any nonrecurring charges.

**2.5.2 Billing and Collection of Charges**

The Customer is responsible for payment of all charges incurred by the Customer or other Authorized Users for services and facilities furnished to the Customer by the Company.

- A. Nonrecurring charges are due and payable within thirty (30) days after the invoice date, unless otherwise agreed to in advance.
- B. The Company shall present invoices for recurring charges monthly to the Customer, in advance of the month in which service is provided, and Recurring Charges shall be due and payable within thirty (30) days after the invoice date unless otherwise agreed to in advance. When billing is based on customer usage, charges will be billed monthly for the preceding billing periods.

- C.** When service does not begin on the first day of the month, or end on the last day of the month, the charge for the fraction of the month in which service was furnished will be calculated on a pro rata basis. For this purpose, every month is considered to have thirty (30) days.
- D.** Billing of the Customer by the Company will begin on the Service Commencement Date, which is the first day following the date on which the Company notifies the Customer that the service or facility is available for use, except that the Service Commencement Date may be postponed by mutual agreement of the parties, or if the service or facility does not conform to standards set forth in this tariff or the Service Order. Billing accrues through and includes the day that the service, circuit, arrangement or component is discontinued.
- E.** If any portion of the payment is not received by the Company, or if any portion of the payment is received by the Company in funds that are not immediately available, by the due date on the bill, then a late payment penalty shall be due the Company. The late payment penalty shall be that portion of the payment not received by the date due minus any charges billed as local taxes multiplied by 1.5% or the highest allowable by law. Late payment charges do not apply to government agencies of the State of Michigan. These agencies are required to make payment in accordance with the provisions of Article XI-A of the State Finance Law (Chapter 153 of the Laws of 1984).
- F.** Customers will be assessed a charge, as set forth in the Current Rates section of this Tariff, for each check submitted by the Customer to the Company that a financial institution refuses to honor.
- G.** If service is disconnected by the Company in accordance with Section 2.6 following and later restored, restoration of service will be subject to all applicable installation charges. Service shall, at the Company's discretion, be restored when all past due

The Company, after notice in writing to the Customer and after having given the Customer an appropriate opportunity to respond to such notice, may terminate service and sever the connection(s) from the Customer's premises under the following conditions:

1. in the event of prohibited, unlawful or improper use of the facilities or service, or any other violation by the Customer of the rules and regulations governing the facilities and service furnished, or
2. if, in the judgment of the Company, any use of the facilities or service by the Customer may adversely affect the Company's personnel, plant, property or service. The Company shall have the right to take immediate action, including termination of the service and severing of the connection, without notice to the Customer when injury or damage to telephone personnel, plant, property or service is occurring, or is likely to occur, or
3. in the event of unauthorized use, where the Customer fails to take reasonable steps to prevent the unauthorized use of the facilities or service received from the Company, or
4. in the event that service is connected for a Customer who is indebted to the Company for service or facilities previously furnished, that service may be terminated by the Company unless the Customer satisfies the indebtedness within 20 days after written notification.

**SECTION 2 - RULES AND REGULATIONS (CONT'D.)****2.7 Cancellation of Application for Service**

- 2.7.1** Applications for service cannot be canceled without the Company's agreement. Where the Company permits a Customer to cancel an application for service prior to the start of service or prior to any special construction, no charges will be imposed except for those specified below.
- 2.7.2** Where, prior to cancellation by the Customer, the Company incurs any expenses in installing the service or in preparing to install the service that it otherwise would not have incurred, a charge equal to the costs incurred by the Company, less net salvage, shall apply, but in no case shall this charge exceed the sum of the charge for the minimum period of services ordered, including installation charges, and all charges others levy against the Company that would have been chargeable to the Customer had service commenced (all discounted to present value at six percent).
- 2.7.3** Where the Company incurs any expense in connection with special construction, or where special arrangements of facilities or equipment have begun, before the Company receives a cancellation notice, a charge equal to the costs incurred by the Company, less net salvage, applies. In such cases, the charge will be based on such elements as the cost of the equipment, facilities, and material, the cost of installation, engineering, labor, and supervision, general and administrative expense, other disbursements, depreciation, maintenance, taxes, provision for return on investment, and any other costs associated with the special construction or arrangements.
- 2.7.4** The special charges described in 2.7.3 will be calculated and applied on a case-by-case basis.

**2.8 Changes in Service Requested**

If the Customer makes or requests material changes in circuit engineering, equipment specifications, service parameters, premises locations, or otherwise materially modifies any provision of the application for service, the Customer's installation fee shall be adjusted accordingly.

**SECTION 2 - RULES AND REGULATIONS (CONT'D.)****2.9 Service Irregularities and Interruptions**

In the event of an interruption to service which is not due to the negligence or willful act of the customer, there will be allowed a prorata adjustment of the monthly charges involved, for the service and facilities rendered useless and inoperative by reason of the interruption, during the time said interruption continues in excess of twenty-four hours from the time it is reported to the Telephone Company or detected by the Company. For the purpose of administering this regulation, every month is considered to have thirty days.

For the purpose of applying this provision, the word "interruption" shall mean the inability to complete calls; incoming, outgoing, or both. "Interruption" does not include and no credit allowance shall be given for service difficulties such as slow dial tone, busy circuits, or other network and/or switching capacity shortages. Nor shall the credit allowance apply where service is interrupted by the negligence or willful act of the customer or the failure of facilities provided by the customer, or unlawful or improper use of the facilities or service.

No credit allowance will be made for interruptions due to electric power failure, whereby the provisions of this tariff, the customer is responsible for providing electric power.

The liability of the Company for damages arising out of mistakes, omissions, interruptions, delays or errors, or defects in transmission occurring in the course of furnishing service or facilities, and not caused by the negligence of the customer, or of the Company in failing to maintain proper standards of maintenance and operation and to exercise reasonable supervision, will in no event exceed an amount equivalent to the proportionate charge to the customer for the period of service during which the mistake, omission, interruption, delay or error, or defect in transmission occurs.

The customer indemnifies and saves the Company harmless against claims for libel, slander, or infringement of copyright arising from the material transmitted over its facilities; against claims for infringement of patents arising from combining with, or using in connection with, facilities of the Company, apparatus and systems of the customer; and against all other claims arising out of any act or omission of the customer in connection with the facilities provided by the Company; and against any and all losses from damage to the customer's facilities or equipment attached or connected to facilities furnished by the Company.

**2.10 Use of Customer's Service by Others**

**2.10.1 Joint Use Arrangements**

Joint use arrangements will be permitted for all services provided under this tariff. From each joint use arrangement, one member will be designated as the Customer responsible for the manner in which the joint use of the service will be allocated. The Company will accept orders to start, rearrange, relocate, or discontinue service only from the designated Customer. Without affecting the Customer's ultimate responsibility for payment of all charges for the service, each joint user shall be responsible for the payment of the charges billed to it.

**SECTION 2 - RULES AND REGULATIONS (CONT'D.)****2.11 Cancellation of Service/Termination Liability**

If a Customer cancels a Service Order or terminates services before the completion of the term for any reason whatsoever other than a service interruption (as defined in Section 2.9.1 above), the Customer agrees to pay to the Company termination liability charges, as defined below unless otherwise stated in written Service Order. These charges shall become due as of the effective date of the cancellation or termination and be payable within the period, set forth in Section 2.5.2.

**2.11.1 Termination Liability**

The Customer's termination liability for cancellation of service shall be equal to:

- A.** all unpaid Non-Recurring charges reasonably expended by the Company to establish service to the Customer; plus
- B.** any disconnection, early cancellation or termination charges reasonably incurred and paid to third parties by the Company on behalf of the Customer; plus
- C.** all Recurring Charges specified in the applicable Service Order Tariff for the balance of the then current term;

**SECTION 2 - RULES AND REGULATIONS (CONT'D.)****2.16 Taxes, Fees and Surcharges**

The Customer is responsible for the payment of any sales, use, gross receipts, excise, access, or other local, state, and federal taxes, charges or surcharges (however designated) excluding taxes on the net income of the Company, imposed on or based upon the provision, sale, or use of services. Any taxes imposed by a local jurisdiction (e.g., county and municipal taxes) will only be recovered from those Customers located in the affected jurisdictions.

**2.16.1 Surcharge for State Gross Income and Gross Earnings Taxes**

A monthly surcharge to recover the additional expense related to the State Gross Income and Gross Earnings Taxes applies to the recurring and nonrecurring rates and charges for all intrastate service except returned check charges, late payment charges and rates for local coin calls. The applicable Gross Revenue Surcharge rates are shown in the Rate Schedule at the end of this tariff. Any changes to these rates will be filed on 15 days' notice to Customers and the Department, and as directed by the Department. Whenever the state levies a new tax on the Company's gross revenues, repeals such a tax, or changes the rate of such a tax, the Department may approve new surcharge factors, and the Company will file a revised rate schedule as directed or approved by the Department.

**SECTION 2 - RULES AND REGULATIONS (CONT'D.)****2.16 Taxes, Fees and Surcharges (Cont'd.)****2.16.2 Village or Municipal Surcharge on Local Utility Gross Revenue Taxes**

In certain cities and villages, a municipal surcharge related to the Local Utility Gross Revenue Taxes applies to the recurring and nonrecurring rates and charges for all intrastate service except returned check charges, late payment charges and rates for local coin calls. The percentage rate of the surcharge in each locality where such a surcharge applies is listed in the Rate Schedule at the end of this tariff.

The surcharge rate schedule shall be filed at least fifteen business days before the effective date. The effective date of the rate schedule shall not be prior to the effective date of the surcharge and no sooner than the date when the tax enactment is filed with the Secretary of State. The surcharge shall be applicable to bills subject to the tax enactment that are rendered on or after the effective date of the rate schedule. If the tax enactment either ceases to be effective or is modified so as to reduce the tax rate, the surcharge will be changed accordingly within 5 business days.

Introduction, cancellation, or modification of a surcharge will be effective on the date of the Customer's first bill rendered after the effective date of the change.

### 2.18 Additional Provisions Applicable to Business Customers

#### 2.18.1 Application of Rates

- A. Business rates apply to service furnished:
1. In office buildings, stores, factories and all other places of a business nature;
  2. In hotels, apartment houses, clubs and boarding and rooming houses except when service is within the Customer's domestic establishment and no business listings are provided; colleges, hospitals and other institutions; and in churches except when service is provided to an individual of the clergy for personal use only and business service is already established for the church at the same location;
  3. At any location when the listing or public advertising indicates a business or a profession;
  4. At any location where the service includes an extension that is at a location where business rates apply unless the extension is restricted to incoming calls;
  5. At any location where the Customer resells or shares exchange service;
- B. The use of business facilities and service is restricted to the Customer, Customers, agents and representatives of the Customer, and joint users.

**SECTION 2 - RULES AND REGULATIONS (CONT'D.)****2.18 Additional Provisions Applicable to Business Customers (Cont'd.)****2.18.2 Telephone Number Changes**

When a business Customer requests a telephone number change, the referral period for the disconnected number is 180 days.

The Company reserves all rights to the telephone numbers assigned to any Customer.

When service in an existing location is continued for a new Customer, the existing telephone number may be retained by the new Customer only if the former Customer consents in writing, and if all charges against the account are paid or assumed by the new Customer.

Deposits will be returned to a business Customer upon cancellation of service or after one year, whichever event occurs first, unless the Customer is delinquent in payment, in which case the Company will continue to retain the deposit until the delinquency is satisfied. If a service is involuntarily discontinued, the deposit is applied against the final bill, and any balance is returned to the Customer.

**2.18.3 Dishonored Checks**

If a business Customer who has received a notice of discontinuance pays the bill with a check that is subsequently dishonored, the account remains unpaid and the Company is not required to issue any additional notice before disconnecting service.

Customers subscribing to the Business Local Service bundle may subscribe to any or all of the following features where available.

- A. Call Waiting - allows a customer to control the treatment applied to incoming calls while the customer is off-hook on an existing call. While on an existing call, Call Waiting Deluxe notifies the customer of an incoming call with the call waiting tone.
- B. Calling Name and Number - provides for the delivery of the listed name and telephone number associated with the calling party telephone number on incoming calls. This information is provided to the subscriber to Calling Name and Number service so that the information may be displayed on a customer-provided display device attached to the subscriber's line or telephone set.
- C. Voice Mail Support Package - provides the combination of the Call Forwarding Busy, Call Forwarding Don't Answer, and Message Waiting Indicator services.
- D. Hunting - is the process by which two or more exchange service lines, served from the same central office and furnished to the same customer, are grouped so that incoming calls overflow to the first non-busy line if the called line is busy. A busy signal is not given unless all the grouped lines are busy.

## SECTION 4 - LOCAL EXCHANGE SERVICE, (CONT'D.)

### 4.3 Primary Rate Interface (PRI) Service

#### 4.3.1 Service Description

Primary Rate Interface (PRI) Service is an ISDN local exchange service that provides a Customer with the ability to transmit and receive multiple voice and data circuit switched calls simultaneously over a single Primary Rate Facility. PRI Service is available from suitably equipped central offices and where suitable loop facilities exist.

PRI Service consists of a Primary Rate Facility and B-Channel Bearer Trunks and D-Channel Bearer Services. The Primary Rate Facility and the ISDN Bearer Trunks are not offered separately. Up to twenty-three B-Channels Bearer Trunks and one D-Channel Bearer Service may be provisioned on each access line. In addition, optional features may be purchased as specified in 4.3.4 of this section.

PRI Service will provide transport of customer information over the 23 available B channels in the form of circuit-switched voice or data at speeds up to 64 Kbps. The basic service will include the 1.544 Mbps switched facility and the D-Channel Bearer Service. B-Channels will be ordered in addition to the Primary Rate Facility.

Dedicated B-Channel configuration: Dedicated trunk groups are the standard feature for PRI Service. Dedicated trunk groups must be assigned to handle one specific call type (examples: DID, DOD).

Three types of B-Channel Bearer Trunk Channels are available as follows.

Standard channels provide the same features as analog trunk lines found in the Local Exchange Services section of this Nonresidence Service Agreement.

DID channels provide direct inward dialing service.

Two Way DID channels provide capability for two way standard service and direct inward dialing service.

D-Channel configuration: Each Basic PRI service will include a dedicated D-Channel for signaling.

**SECTION 4 - LOCAL EXCHANGE SERVICE, (CONT'D.)****4.3 Primary Rate Interface (PRI) Service, (Cont'd.)****4.3.2 Definitions****A. Primary Rate Facility**

A Primary Rate Facility is a digital pipe from the Customer's location to the Company central office which transports one or more ISDN Bearer Trunks (B. and C. following). A Primary Rate Facility can carry up to twenty-three 64 Kbps B-Channel Bearer Trunks and one 64 Kbps D-Channel Bearer Service. All selected Bearer Trunks and Services can operate on the Primary Rate Facility simultaneously.

**B. B-Channel Bearer Trunks**

B-Channel Bearer Trunks define the types of traffic that the Primary Rate Facility will carry. A B-Channel Bearer Trunk is a 64 Kbps information channel used in conjunction with circuit-switched service. These trunks can be configured as 1-Way In, 1-Way Out, or 2-Way.

**C. D-Channel Bearer Services**

The D-Channel Bearer Service is a 64 Kbps signaling channel used to control associated B Channels. One D-Channel is required for each Primary Rate Facility and is included in the Primary Rate Facility's monthly rate.

**SECTION 4 - LOCAL EXCHANGE SERVICE, (CONT'D.)****4.3 Primary Rate Interface (PRI) Service, (Cont'd.)****4.3.3 Regulations**

PRI Service is furnished subject to the availability of suitable facilities and is only served from specially-equipped digital central offices.

Service from some central offices may not provide all of the features and functionality described in this section.

The minimum service period for PRI Service is twelve months.

The Customer must provide customer premises equipment that meets the technical requirements of the serving central office.

The Customer is responsible for providing power to all customer premises equipment (CPE) attached to the Primary Rate Facility.

The Customer must notify the Company when call type maximums and minimums are to be changed for the call-by-call feature. This is in order to maintain the proper provision of directory numbers and call control on the line.

Customers wishing to upgrade existing analog trunk service to PRI Service will be charged the listed initial charges for the appropriate number of Primary Rate Facilities and will have to convert to the PRI Service DID rate structure. Initial charges on B-Channel Bearer Trunk Channels are waived for the existing analog trunks that are moved to PRI Service. Any new channels added at the time of conversion to PRI Service will incur initial charges.

When a customer transfers a call, the customer is responsible for any toll charges associated with the customer originated leg(s) of the call.

One 911 charge, as set by the Public Safety Answering Point, is applied to each outgoing and 2-way B-Channel Bearer Trunk (per channel).

The following features are available to PRI Service customers at additional cost.

**A. Call-By-Call Service Selection**

This feature provides the option for B-Channels to be assigned into a flexible trunk group which can support different call types based on real-time traffic needs. Call-By-Call service selection also allows primary as well as secondary long-distance carriers to be established for the entire trunk group (e.g., Alternate Routing Arrangement).

**B. Individual Calling Line Identification (ICLID)**

This feature provides customer access to the calling party's number. Feature operation is dependent on customer premise equipment and technology in use at the calling party's serving office. (Similar to the Caller ID feature available on access lines.)

**C. Direct Inward Dialing (DID)**

This feature provides Direct Inward Dialing to a station. DID Termination rates will apply per B-Channel configured with this option. ISDN Primary Rate Interface Service DID Number Blocks are ordered with DID Terminations on the B-Channels.

**D. Back-up D-Channel**

This feature provides a minimum of three or more Primary Rate Interface Service facilities terminating at the same customer premises to share one primary and one secondary (or Back-up) D-Channel. The number of Primary Rate Interface Service

## SECTION 5 – INTEREXCHANGE TOLL SERVICES

### 5.1 Description of Services

#### 5.1.1 Toll Free (i.e., 800/888) Service

Toll Free Service is inbound telecommunications service which permits calls to be completed to the customer's location without charge to the calling party. Access to the service is gained by dialing a ten-digit telephone number which terminates at the customer's location. Toll Free Services originate via normal shared use facilities and are terminated via the customers' local exchange service access line. Toll free service is offered to presubscribed customers and is not a stand-alone product.

The Company will accept a prospective Toll Free Service at customer's request for up to ten (10) toll free telephone numbers and will reserve such numbers on a first-come first-served basis. The Company does not guarantee the availability of numbers until assigned. The requested Toll Free Service telephone numbers, if available, will be reserved for and furnished to the customer.

If a customer who has received a Toll Free Service number does not subscribe to Toll Free Service within thirty (30) days, the Company reserves the right to re-assign the number to another customer.

#### 5.1.2 AnyTime 375 (Product 948)

This plan is being offered to business customers. For a monthly service fee, customers subscribing to this plan will receive 375 minutes of outbound domestic long distance each month. A per minute rate will apply after the initial 375 minutes, each month. 8XX service is available for a monthly fee.

**SECTION 6 - SPECIAL SERVICES AND PROGRAMS (CONT'D.)****6.2 Discounted Service For The Hearing Or Speech Impaired Customer****6.2.1 General**

A handicapped person who has been certified to the Company as having a hearing or speech impairment which requires that he or she communicate over telephone facilities by means other than voice, and who either use non-voice equipment or make calls through an interpreter, will receive, upon application to the Company, a 50% discount on local message rate service.

**6.2.2 Certification**

Acceptable certifications are:

- A. Those made by a licensed physician, otolaryngologist, speech-language pathologist or audiologist or an authorized representative of a social agency that conducts programs for persons with hearing or speech impairment in cooperation with an official agency of the State of Michigan, or
- B. A pre-existing certification establishing the impairment of hearing or speech such as those which qualify the handicapped person for social security benefits on the basis of total hearing impairment or for the use of facilities of an agency for a person with hearing or speech impairment.

**6.2.3 Qualification**

A customer qualifying for the discount is one whose impairment is such that competent authority would certify him or her as being unable to use a telephone for voice communication. See Section 11, "Handicapped Person," for a listing of the necessary qualifications.

**6.2.4 Billing**

The reduction in charges is applied only at one location, designated by the impaired person.

**SECTION 6 - SPECIAL SERVICES AND PROGRAMS (CONT'D.)****6.4 Michigan Relay Service****6.4.1 General**

The Company will provide access to a telephone relay center for Michigan Relay Service. The service permits telephone communications between hearing and/or speech impaired individuals who must use a Telecommunications Device for the Deaf (TDD) or a Teletypewriter (TTY) and individuals with normal hearing and speech. The Relay Service can be reached by dialing an 800 number. Specific 800 numbers have been designated for both impaired and non-impaired customers to use.

**6.4.2 Regulations**

- A. Only intrastate calls can be completed using the Michigan Relay Service under the terms and conditions of this tariff.
- B. Charges for calls placed through the Relay Service will be billed as if direct distance dialed (DDD) from the point of origination to the point of termination. The actual routing of the call does not affect billing.
- C. Calls through the Relay Service may be billed to a third number only if that number is within Michigan State. Calls may also be billed to calling cards issued by the Company or other carriers who may choose to participate in this service.

**SECTION 6 - SPECIAL SERVICES AND PROGRAMS (CONT'D.)****6.4 Michigan Relay Service (Cont'd.)****6.4.2 Regulations (Cont'd.)**

- D.** The following calls may not be placed through the Relay Service:
1. calls to informational recordings and group bridging service;
  2. calls to time or weather recorded messages;
  3. station sent paid calls from coin telephones; and
  4. operator-handled conference service and other teleconference calls.

**6.4.3 Liability**

The Company contracts with an outside provider for the provision of this service. The outside provider has complete control over the provision of the service except for the facilities provided directly by the Company. In addition to other provisions of this Tariff dealing with liability, in the absence of gross negligence or willful misconduct on the part of the Company, the Company shall not be liable for and the customer, by using the service, agrees to release, defend and hold harmless for all damages, whether direct, incidental or consequential, whether suffered, made, instituted or asserted by the customer or by any other person, for any loss or destruction of any property, whatsoever whether covered by the customer or others, or for any personal injury to or death of, any person. Notwithstanding any provision to the contrary, in no event shall the Company be liable for any special, incidental, consequential, exemplary or punitive damages of any nature whatsoever.

## SECTION 7.0 - SPECIAL ARRANGEMENTS

### 7.1 Non-Routine Installation and/or Maintenance

At the Customer's request, installation and/or maintenance may be performed outside Company regular business hours, or (in sole discretion of the Company and subject to any conditions it may impose) in hazardous locations. In such cases, charges based on the cost of labor, material, and other costs incurred by or charged to the Company will apply. If installation is started during regular business hours but, at the Customer's request, extends beyond regular business hours into time periods including, but not limited to, weekends, holidays, and/or night hours, additional charges may apply.

## SECTION 8.0 – EXCHANGES

The Company hereby mirrors the Map and Legal Description tariffs of the exchanges, by Incumbent Local Exchange Carrier, listed below to identify its service territory. Any future modifications to these exchange boundaries or legal descriptions of these boundaries will be automatically mirrored by the Company on a going forward basis. If not mirrored, new detailed maps and legal descriptions on an individual exchange basis will be filed with the MPSC for approval. Calls originating from the listed Exchange or Zone and terminating in the Exchanges and Zones in the local calling area will be treated and charged as local calls

### 8.1 Non-Routine Installation and/or Maintenance

The Company is adopting the service area(s), exchange boundaries and local calling areas of the facilities-based carrier with whom the Company has a resale agreement in effect.
